

Quotation Terms & Conditions

1 Validity of quotation

1.1 The quotation is valid for 14 days from the date you receive it.

2 Terms of sale or hire

2.1 Sales are subject to our Terms and Conditions of Sale, and hire is subject to our Equipment Hire Agreement terms and conditions, both of which are available to download from our website: <https://www.compact-and-bale.com/company-downloads>.

3 Pricing

3.1 The sale and hire prices in the quotation do not include delivery, installation or (in the case of hire) decommissioning and removal. The price for delivery and installation in the quotation is in addition to the sale and hire prices.

3.2 VAT is not included in the prices in the quotation and will be added at the prevailing rate from time to time.

4 Payment terms

4.1 Sales: 30% deposit on acceptance of the order by us, 70% prior to delivery.

4.2 Hire: initial payment of 3 months' hire payments on signature of the Equipment Hire Agreement followed by monthly payments commencing on the date of delivery and installation for the minimum period agreed and any extension.

5 Delivery and installation

5.1 The delivery and installation price in the quotation includes, unless otherwise stated, the cost of transport to local delivery addresses, insurance, tolls, hiab crane for offloading, a positioning engineer(s) for assembly, start up and testing. Other delivery locations may incur additional delivery costs, which may be added at any time prior to delivery due to cost increases outside our control.

5.2 Delivery and installation will typically be made approximately 8-10 working weeks plus transport time after acceptance of the Order for sales or signature of the Equipment Hire Agreement for hire, complete technical clarification and receipt of the deposit for sales or the initial payment for hire.

5.3 Delivery and installation price and time may be subject to change due to supply chain factors outside of our control.

5.4 Additional waiting time on site during delivery and installation for our vehicles and engineers will be charged at our standard hourly rates.

6 Health and safety

6.1 As holders of ISO9001, ISO14001 and SafeContractor accreditation, our health and safety policy and systems are regularly reviewed and updated. Our RAMS and insurance certificates are available to download on our website: www.compact-and-bale.com.

6.2 It is the responsibility of the customer to comply with PUWER and LOLER following our operator training.
